

A Whale of a Jewish Tale

Youth and Family Education at Kol HaLev is driven by an annual theme. This year we will be exploring Jewish traditions through stories. While we cannot have an exhaustive exploration during our time together, we will take steps to start our journey.

Kol HaLev's vision is to provide a holistic approach to youth and family education within our community. The education program for youth and families has been created in a manner that allows for a symbiotic relationship between all the components: Hagiga, Nesiya, Tot-Parent Shabbat, family education, youth group and intergenerational programs.

This year's theme, A Whale of a Jewish Tale, will focus on 4 areas: *Kehilla* (community), *Middot* (values), *Mussar* (character traits), and *Tikkun Olam* (repairing the world). Through looking at these elements of life, we gain a new perspective of our history, present path, as well as the future of our Jewish journey.

Our Mission Statement begins by saying Kol HaLev is a learning community spanning and bridging generations. We offer many educational opportunities for our members from ages 0 to 120. Hope you will join the fun!
