

Youth and Family Education at Kol HaLev is driven by an annual theme. This year we will be exploring what it means to be a mensch. The program is inspired by the curriculum *What Would a Mensch Do?* by Rabbi Rami Shapiro and Elissa Treuer.

The program will focus on “Mentschcraft” as derived from the words of the Prophet Micah: “Do justly, act kindly, and walk humbly with your God.” Each lesson will give concrete steps that learners can take to enhance their personal mentschcraft.

Kol HaLev’s vision is to provide a holistic approach to youth and family education within our community. The education program for youth and families has been created in a manner that allows for a symbiotic relationship between all the components: Hagiga, Nesiya, Tot-Parent Shabbat, family education, youth group and intergenerational programs.

Our Mission Statement begins by saying Kol HaLev is a learning community spanning and bridging generations. We offer many educational opportunities for our members from ages 0 to 120. Hope you will join the fun!
