Connections, Relationships, Links

Youth and Family Education at Kol HaLev is driven by an annual theme. This year we will be exploring *Keshherim*-Connections in our lives. While we cannot have an exhaustive investigation during our time together, we will take steps to start our journey.

Kol HaLev's vision is to provide a holistic approach to youth and family education within our community. The education program for youth and families has been created in a manner that allows for a symbiotic relationship between all the components: Hagiga, Nesiya, Tot-Parent Shabbat, family education, youth groups and intergenerational programs.

This year's theme, *Keshherim*-Connections, will focus on 4 areas: *B'nai Yisrael* (ancestry/Torah), *Klal Yisrael* (the greater Jewish community), *Kehilat Yisrael* (Community/Kol HaLev) and *Kol Yoshvei Tevel* (all who dwell on earth). Through looking at these elements of life, we gain a new perspective of our history, present path, as well as the future of our Jewish journey.

Our Mission Statement begins by saying Kol HaLev is a learning community spanning and bridging generations. We offer many educational opportunities for our members from ages 0 to 120.

Hope you will join the fun!
